States and Cities that have stronger no-smoking regulations than in Cambridge:

New York City

Westlake, Texas (went smoke-free before Austin and is contiguous to the Austin)

Austin, Texas - *UNW. TEXAS*

California -- restaurants only, tough ventilation standards for bars are being phased in (first San Francisco, LA, and Beverly Hills went smoke free)

Vermont (starting July 1)

Utah

Maryland

Washington State

Aspen, CO

Telluride, CO

-- And in hundreds of cities there is legislation pending or they are about to issue strict health regulations.

100% smoke-free
