

To His Honor the Mayor, and the Honorable
the Board of Aldermen of the City of Cambridge.

Respectfully represent the undersigned
that they are the members of the West End
Boat Club - that they own and use a Boat
House, situated at the Northerly side of
Graiges Bridge -

That at present, as for a long time past, they
are compelled, in order to reach said Boat
House, to sweep at the foot of Livingstone Street
a row boat, and to row thence to said
Boat House -

And whereas, by this arrangement they are
put to great trouble, inconvenience and
delay, they pray that they may be allowed
to make a gateway, and to place a gate
in the railing of said Bridge, on the side
next their Boat House, and to build a
platform and steps therefrom to said Boat
House, -

And to use said gate and platform, for a
passageway to and from said Boat House,
under such regulations, as to your Honorable
Board shall seem meet -
