CITY COUNCIL
City Hall
Cambridge, MA 02139

Honorable Mayor and Councillors:

CCLN believes that the year 1990 will offer you and the Cambridge city administration unique and important opportunities to gain control of the City's future by setting new guidelines for construction and development for the remainder of the decade. To this end, we have a variety of specific ideas, suggestions and recommendations which we'd like you to consider. Accordingly, this letter constitutes our formal request for a public hearing in front of the full Council at your earliest available opportunity. We suggest the evening of Monday 22 January 1990, but we are happy to cooperate in establishing some other mutually satisfactory date.

Please contact us with your response at the address and/or phone number above. We would be pleased to consult with you regarding the structure and details of our proposed hearing, and we look forward to working constructively with you and our City officials in the months ahead.

Sincerely,
Cambridge Citizens for Liveable Neighborhoods

Dear Mr Connarton:

We thank you and Mayor Wolf for your prompt response to our request for a public hearing. Unfortunately, schedule conflicts at our end surfaced after we sent our letter of request, and the 22nd does not work well for us now. We hereby amend our request, asking you to schedule a hearing for:

6:30 pm, Monday 12 February 1990.

Please let us know if this time works for the municipal calendar. If you want, you can call me at either my home phone (354-6094) or work phone (782-6162), or else leave a message for us on the CCLN answering machine (354-5670). Thanks for your help.

Sincerely,
Cambridge Citizens for Liveable Neighborhoods
