~~Resolved: Adrian being the State record holder was the favorite of at the Tournament held at the Reggie Lewis Center in Boston and.~~

Whereas: ~~Adrian~~ repeated his record setting time on Saturday, March 1, 1996 to win the state title in the tournament held at the Reggie Lewis Center in Boston;

Worrell wins 1000

Adrian Worrell of Cambridge Rindge and Latin took the state title in the 1,000-yard dash last Saturday with a time of 1:21.4. He was the state record holder going into the match and the favorite at the tournament held at the Reggie Lewis Center in Boston. Worrell will try to better his record this Saturday at another state meet, also at the Reggie Lewis Center.

Matignon in Super Eight

The Matignon hockey team closed out its season with a 6-2 victory over Archbishop Williams last Saturday. Leading the way, senior Eddie Caissie had his first hat trick of the season. Junior R.J. Tolan popped in his first goal this year and Jason Ferranti and Chris O'Reilly each had one.

The team is 16-2-2 overall, a record that will undoubtedly qualify them for the "Super Eight" tournament beginning this weekend. Teams advance to this state championship round based on their record, the difficulty of their schedule and, perhaps a little luck, a combination which has put Matignon there before.

Having won the state title 10 times before, capturing their league championship 18 times and qualifying 25 times, the Warriors know the difficult competition which lies ahead. In high school hockey, there are no guarantees and a bad night on the rink can break a team.

"It's all up for grabs," assistant coach Jay Fimiani said. "On any given night, it could be any team's tournament. We'll be in the hunt." Matignon will probably face Arlington at some point along the way. When the Warriors went up against them during the regular season, they skated to a 5-5 tie.

Matignon has recently been getting some goals out of players who have been quiet throughout the year, which should contribute to the team's depth overall.

Hamlin, Drew to race in all-state meet

Two of the nine girls track team members who headed to the state meet on Saturday advanced to the all-state qualifying round and will race this Saturday at the Reggie Lewis Center in Boston.

Senior Rebecca Hamlin qualified and will compete on Saturday. Her time of 1:32.1 in the 600-yard dash was fast enough for her to advance for a shot at the all-state title.

Hamlin was sick the week before the race and practiced only sparingly before the event. She hopes to improve her time over last week.

Chloe Drew, who ran the two-mile in a time of 12:15, finished fifth, also clinching a spot at the all-state meet. Coach Thayer Plante was pleased with her time and hopes that both seniors will be competitive this weekend. The Falcons finished 4-4 overall in their

the Greater Boston League meets.

Matignon hoop team finishes strong

They were 6-9 a few weeks ago. It did not look like they were going to make it to the Division 4 North basketball tournament. But then it happened: Matignon started winning.

One after another, the Warriors basketball team fought back to finish up 11-9 and qualify for the tournament, which begins this Friday at the high school gym in Wilmington at 6 pm.

Having come off a recent win down in Marian, beating the host team by 15 and then taking it to Ashland 84-53, coach Joel Burke is optimistic about Friday's matchup against Ipswich.

"Freshman Josh Taylor was the MVP of the tournament. He had 32 points for the tournament and averaged eight rebounds," Burke said of his rising star from Cambridge. "We have six guys that average double figures so we're pretty hard to defend against."

The Warriors will undoubtedly move the ball up and down the court quickly against Ipswich, a team that likes to play a zone defense. And even though Ipswich may have the advantage underneath, with a 6-8 center, Burke is going to stick to his man-to-man defense.

Burke believes his team should match up well with of the Division Four teams in the tournament because Matignon plays a tougher schedule

during the year.

Other Cambridge players on the Matignon team include: sophomores Paul Gately, a 6-1 guard, and Mike Frawley, a 5-10 guard. Claude Tabuteau, also a Cambridge resident, is a junior who stands 5-10 and is one of the first substitutes to come of the bench

Hoop club tryouts

The Wildcats AAU boys basketball tryouts will take place on Saturday, March 2, at the Malden Catholic gym. Kids ages 12-13 will compete for positions on the team at 9 am followed by 14-year-olds at 10:30 am; 15-year-olds will play at 12 pm, 16-year-olds at 1:30 pm and 17-year-olds at 3 pm. For more information, please contact Vin Pastore at 942-2564.

Matignon star to play football at UMass

Senior tight end and defensive tackle Joe Frawley of the Matignon football team has signed a letter of intent with the University of Massachusetts at Amherst for a full four-year scholarship to play football. Frawley, son of Sgt. Joe Frawley of the Cambridge Police department and Mary Riley Frawley, was selected to play in the high school all-star game this fall at Boston University.

Frawley was a Warrior co-captain and hopes to study computer Science out at Amherst.

Complete Internet Service Provider

WebSecure offers a full array of Internet services for individuals and businesses including:

- Internet access and host services
- Internet business Web page development and marketing services
- Internet secure commerce processing
- Internet hardware and software
- Internet training

WebSecure offers a variety of cost efficient ways to ease your business into this new electronic commerce environment. We offer support for developing and maintaining a Web host presence for businesses as well as assisting clients in how to make the most of marketing and selling products and services through the Internet.

With **WebSecure** you will get a full range of service options including SLIP/PPP connection, WWW browsing capability, electronic mail, and USENET news. Why pay the high price of on line services when you can have much more for a lot less! Easy access is provided on local metro Boston access numbers.

WebSecure provides all subscribers the needed software for FREE!

individual or team looking to participate in the spring league can contact the YMCA for more information.

Youth indoor soccer is under way with over 180 children between 6 and 12 years old. There are still spaces available for this program. The 6- to 8-year-old players will participate in games between 10 am and 1 pm on Saturdays. Children 9-12 years old will play between 1 and 4 pm on Saturdays. The league is directed by professional soccer player Gary Crompton and Boston University midfielder Alun Carter. Spaces still remain for this program, which will end on April 13.

Plans are in the works for the annual youth banquet, which will be held on April 27, 6:30-9 pm. Ziti, meatballs and sausage will be served. Every child who participated in the basketball and soccer leagues will be awarded a trophy. For further information, contact Dennis at the Y, 661-9622.

Late winter activities are also taking place at the Cambridge Family YMCA. Noontime and evening aerobics as well as step and sculpting classes are filled to almost capacity. Many of the participants are preparing for the upcoming "outdoor season" by working out indoors. Yoga, karate and jujitsu classes have been well-attended as well. If you are looking to get in shape for the upcoming "season," call Dennis to get you into the right program.

The above report was submitted by the Cambridge Family YMCA.
