Councillor Born, *Toomey, Maher, Sullivan,* all

WHEREAS: The recent attacks on the United States have raised awareness nation wide of the need for organized, round-the-clock security at all types of nuclear reactors, including those used for scientific research; and

WHEREAS: MIT operates one such nuclear reactor on Albany Street and there may be others on other university property or private property; now therefore be it

ORDERED: That the City Manager <sup>*be hereby is requested to*</sup> provide the <sup>*City*</sup> council with a report of all the locations of nuclear reactors in the City including information on when these were licensed and what security requirements exist, if any; and be it further

ORDERED: That the City Manager convey to MIT, (and other nuclear reactor operations if they exist), the grave concern of the City Council about the security of such a facility located on a busy public street in a densely populated urban neighborhood with the request that, unless MIT can demonstrate beyond any doubt, an air-tight, round the clock, fully visible professionally manned security system, they be requested to immediately decommission the nuclear reactor.
