Dear Cambridge City Councillors,

I am very concerned about the future of Mudflat Pottery School in East Cambridge. As a resident potter at Mudflat and also as a citizen of Cambridge, I believe that Mudflat offers a unique cultural asset to Cambridge through its many classes, workshop programs, and studio rental options. It would be a disgrace for Cambridge to lose such a valuable artistic community due to the proposed development in the area.

We ask for your support of Mudflat at the next city council meeting on Monday December 17. We at Mudflat are committed to the continuance of Mudflat and our future in Cambridge. Thank you for your support.

Sincerely
Lynn Gervens
