Date April 23, 1974

From William J. Cremins
Chief of Fire Department

Reference

Subject Council Order #7-re: 1409-1419 Cambridge Street, Aluminum Siding

Sir:

There is no evidence to indicate that aluminum siding covering the building in question contributed to the intensity and severity of the fire. Therefore I would not recommend any legislative action toward this end.

Very truly yours,

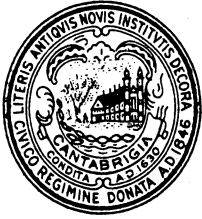

William J. Cremins
Chief of Fire Department
