To The Honorable, The City Council:

In response to Awaiting Report Item No. 27, regarding a timetable for the repavement of Prospect Street, Public Works Commissioner Ralph E. Dunphy reports the following:

The excavation of the trench and pouring of concrete will begin early this week (April 25th or 26th). Once this is complete, Prospect Street will be hot topped. The Public Works Department estimates it will take approximately four weeks to complete the repavement of Prospect Street.

Very truly yours,
