Paul Healy
City Clerk
City Hall
Cambridge, Massachusetts 02139

Dear Mr. Healy,

It is with great pleasure that I announce the committee assignments for the present term. I have reviewed the requests and hope that I have provided you an opportunity to utilize your particular expertise as well as the ability to deal with new areas of interest. Consistent with the charter I, as Mayor, shall serve as chairman ex-officio of all committees. It is my hope that regardless of these assignments, all members of the council will work together to reach a common goal of improving the quality of life for all our residents.

In an effort to avoid overlapping of committees and hearings, as well as to insure adequate staff support, I am asking each chairperson to plan meetings as far ahead as possible. Please keep in mind, if you will, the long standing practice of not holding a committee meeting during regular council session.

In view of the extended debate on the issue of linkage during the past council session, I judge it warrants our assessment. For that reason I have appointed the Linkage Study Committee.

Regarding the staffing of committees, I realize that some members would like to consider changing or augmenting the staff support currently provided. Therefore I am suggesting that temporarily, the staff assignments remain basically the same with Joseph E. Connarton, Deputy City Clerk, serving as Clerk of Committees, serving all committees with the exception of Finance, Ordinance, Transportation and Parking and Environment, which will be staffed by City Clerk Paul E. Healy. I am also requesting Susan M. Boyle, Assistant to the City Council to continue providing the required staff support to all committees.

Finally, in order that all of us may put our thoughts together on this issue, I will request Councillor Duehay as Chairman of the Committee on Legislative and Government operations to convene a meeting as soon as possible to review and make recommendations on this subject.

Thank you for your anticipated cooperation.

Very truly yours,

Walter J. Sullivan

7.
