CITY OF CAMBRIDGE.

In Board of Aldermen, Sept 21. 1893

The Joint Standing Committee on Roads and Bridges
to which were referred several petitions for the
acceptance of streets,

Reports

Recommending

that upon the following, the petitioners have agreed
to withdraw, viz:-

1 George W. Dearborn and others, for the acceptance
and extension of Eighth Street from Thorndike
Street through to Eighth Street.

This extension would involve a considerable ex-
pense, for which there is no appropriation, and no
further necessity. The petitioners do not intimate any
disposition to release the land required, and have not
filed a plan.

2 W. J. Tupper et al., for the acceptance of Way 4
Court.

This street is not in a condition for acceptance,

being impossible. A fence was placed across the easterly end
by a former Superintendent of Streets. No plan has been filed.

3 H. O. Mancy chals, for the acceptance of Plymouth Street,
between Berkshire Street and Webster Avenue.

This sheet is not in a proper condition for acceptance, and
there is no plan of it.

4 D. A. Barber chals; for the acceptance of Andrew Street,

The petitioners wish to withdraw this petition.
