

City of Cambridge

5.

Mayor Walter J. Sullivan

IN CITY COUNCIL

December 29, 1986

ORDERED: That the City Manager communicate with the General Manager and/or Director of Operations of the MBTA for the purpose of effecting an immediate resolution of the problem surrounding a stationary and precise location in Harvard Square where passengers can board the Harvard to Lechmere bus. At present, the sign which had indicated said location has been removed. As a result, passengers are forced to guess the location from which the bus will depart. Without any accountability, the location for departure rests with and changes with the arbitrary choice of on-scene MBTA supervisors or operator of the bus.

Further, that the City Manager advise this Council of the problem's resolution at his earliest convenience.

In City Council December 29, 1986.
Adopted by the affirmative vote of 8 members.
