

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Robert Healy, City Manager **Date** April 24, 1987
From George Teso, Traffic Director **Reference**
Subject Council Order # April 13, 1987 "Speed Limit On Mt. Auburn Street"

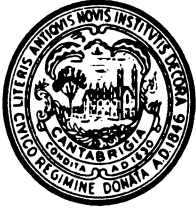

The Department is collecting and analyzing the data to determine if the speed limit on Mt. Auburn Street should be lowered. We are also preparing the necessary engineering report for submission to the State Public Works Department for permission to lower the speed limit to 25 MPH.

I estimate we will be submitting the speed zoning report to the MDPW in late spring. As soon as we receive approval we will post the required speed limit signs.
