To the Honorable, the City Council:

With respect to Awaiting Report Item No. 4 regarding the status of architectural plans for elderly housing for the Putnam School, please be advised that although there are three groups interested in rehabilitating the school the major obstacle currently is funding. Avenues of H.U.D. and D.C.A. funding are currently being explored by these groups and the Housing Authority, but until a more definite funding source is identified, no detailed architectural plans can be completed.

Very truly yours,

James L. Sullivan
City Manager
