September 23, 2002

To The Honorable, The City Council:

I would like to request the appropriation and authorization to borrow an additional \$1,950,000 for the 57 Inman Renovation project to supplement the original appropriation of \$8,200,000.

The \$1,950,000 is necessary to offset the additional costs for the structural decontamination and environmental remediation of the building; interior furnishings and equipment; construction contingency and project management.

Very truly yours,

Robert W. Healy
City Manager
