Dear Council Members:

In view of recent events that took place -- or didn't -- in observance of Patriots Day in April and Independence Day in July, would your honorable body consider transferring the responsibility of conducting these events to our leadership.

We feel that as civic minded citizens both these dates are worthy of complete planning and we would be most happy to accept the responsibility of trying to restore both these days to their former importance and stature.

Yours in Comradeship,

FRANK SMITH
President
