WE, THE UNDERSIGNED PROPERTY OWNERS AND/OR RESIDENTS, REJECT THE PROPOSED CALMING PLAN FOR FAYERWEATHER STREET FROM WALDEN STREET TO HURON AVENUE FOR THE FOLLOWING REASONS:

0-16

1. The subdividing of a beautiful historical street into a disastrous parking nightmare, especially when the snows arrive, is not good planning.
2. Creating bicycle paths for one-half of Fayerweather Street to Huron Avenue and leaving the portion to Brattle Street untouched is discrimination, especially since bicycle riders are seen less than .03% per month in this area.
3. "Zebra type" crosswalks are ugly for a residential neighborhood unless Brattle Street is included in these markings.
4. Creating chicanes, curb extensions, and raised intersections only validates reason No. 1.
5. BETTER LAW ENFORCEMENT WOULD CALM TRAFFIC SIGNIFICANTLY!!!
