October 17, 1996

Dear Neighborhood Representative:

This office is in receipt of a copy of a petition from Jonathan Ginsberg for Forest City Development requesting *a new curb cut at the premises numbered 23-29 Landsdowne Street, Cambridge, Massachusetts.*

The City Council has directed that all curb cut petitions be submitted to the appropriate Neighborhood Associations for the locality where the curb cut would be made, so that the association may have an opportunity for review, prior to action by the City Council.

Please indicate by return mail your approval or disapproval of the petition within twenty one days from the date of this letter. If the response is "disapproval" please state reasons. Be sure to sign the form and include a daytime phone number. I have enclosed a self-addressed stamped envelope to facilitate your reply.

As soon as this office has received both the completed application and your neighborhood association response, I will place the petition on the agenda for the next City Council meeting. If I do not receive a response from your neighborhood organization by twenty one days from the date of this letter, I will place the petition on the agenda for the next City Council meeting.

If your neighborhood association cannot complete its review by twenty one days from today, you may extend the reply time another seven days by requesting an extension by letter to me with a copy to the petitioner. However, I urge you to make every effort to complete your review as soon as possible.

Thank you for your cooperation.

Sincerely yours,

D. Margaret Drury

RE: Landesdowne Street Curb Cut Application

Dear Mr. Singanayagam:

Forest City Development has received approval from the Massachusetts Institute of Technology, the only known abutter to the proposed Landesdowne Street Curb Cut application. MIT Director of Real Estate Phil Trussell has signed off on the application abbuttor approval form on file in your office.

Several neighborhood groups, including the Hastings Square Association, the Central Square Neighborhood Association, and the Ward Five committee have been notified as well.

Please feel free to contact me with any questions or concerns regarding this application.

Thank You.

October 18, 1996

Mr. John Patoucheas
Seven Landsdowne Street Realty Trust
517 Concord Avenue
Lexington, MA 02173

Dear Mr. Patoucheas:

I write to remind you of Forest City Development's proposed curb cut plan for University Park at MIT. I understand that you are the owner of property that is an abutter to the location of the proposed curb cuts.

Please find attached the drawing of the proposed curb cuts relative to Phase II of University Park. The chart in the upper right hand corner of the drawing provides a summary of both the proposed and existing curb cuts.

Our correspondence dated October 3, 1996 included a curb cut plan for Green Street. Since the time of our correspondence, there has been a slight revision to the plan. Specifically, two curb cuts have been removed from Green Street. This is the only change from the previous plan.

Though the impact of University Park's Phase II will be positive and significant, it does not equate to a great change in "curb cuts" per se. The net impact of the total revision to curb cuts proposed for University Park's Phase II equates to the addition of 3 curb cuts constituting approximately 75 linear feet. The parking, loading, and drop off schemes generating the specific cuts have, of course, been thoroughly reviewed by ourselves, VHB, and the City Traffic Department.

Forest City is committed to being a good neighbor, and to share information regarding the future construction of Phase II of University Park.

Please feel free to contact me with any questions regarding this proposal or the future development of University Park.

Upon your review of the plans, it would be helpful for you to sign the application for driveway cuts and openings abutter form and mail them to me in the return envelope addressed to 38 Sidney Street, Cambridge, MA 02139.

Thank you in advance for your cooperation.

Sincerely,

Jonathan Ginsberg
Director of Government and
Community Relations

CITY OF CAMBRIDGE
INSPECTIONAL SERVICES

APPLICATION FOR DRIVEWAY CUTS AND OPENINGS
CITY OF CAMBRIDGE

'96 OCT 9 AM 10 46

INSTRUCTIONS:

In order to obtain permission for a driveway cut or opening you must first get approval from the Department of Inspectional Services on the zoning requirements for off-street parking, including the cooperation of your immediate abutments.

To receive a review from Inspectional Services you must fill out Part I of the application. Be sure to draw your plot plan on Drawing 1, choosing the lot that represents your lot's position, i.e. corner or interior. You must also include a sketch of the proposed driveway, including dimensions, on Drawing 2. You may then calculate the cost of the driveway by using the formula based on your choice of surfaces. You must also include a signed abutment sheet for each of your abutments: back yard, one on either side and the abutment directly across the street.

Once you have gathered this information on the application, it should be submitted to:

Zoning Officer
Inspectional Services
831 Massachusetts Avenue
Cambridge, MA 02139

If the application is approved by Inspectional Services, it will then be sent on to Traffic and Parking, the Historical Commission and the Department of Public Works. If approved by Public Works, the application and backup will be sent to the City Council for their approval. Once the City Council approves, the driveway curb cut can be installed. However, the full cost of the cut must be paid to Public Works before the work will start.

If, however, Inspectional Services denies your application you may then appeal to the Zoning Board of Appeals.

City Clerk Jerry
Please do not place on council
agenda until I have spoken to you.
Thanks Jonathan Ginsberg
