To The Honorable, The City Council:

I am hereby requesting the transfer of \$4,285 from the Employee Benefits Salary & Wages Account to the Emergency Communications Extraordinary Expenditures Account to provide funds for the replacement of a circuit board in the City's Motorola Trunked Radio System. The last spare circuit board purchased through the use of bond proceeds has been used to replace one of the two circuit boards which has failed and, in order to make the system fully operational again, it is necessary to acquire one more board.

Very truly yours,

Robert W. Healy
City Manager
