Dear Mr. Healey

Last Monday night the City Council approved changing from paper ballot to Electronic Voting, beginning with the November election.

The Election Commission very much wants to familiarize all Cambridge voters with our new system. To do this we will need the help of every organization in the City that has any interest in citizen involvement. The number of volunteers who can be enlisted to help demonstrate the new voting equipment to their friends and neighbors will directly affect the ease with which this transition is accomplished.

We will be in touch with you shortly with more details.

Thank you for whatever help you may provide.

Very truly yours,

Edward J. Samp, Jr.
Sondra Scheir
Peter Sturges
