Mr. Paul E. Healy
City Clerk
City of Cambridge
City Hall
Cambridge, MA 02139

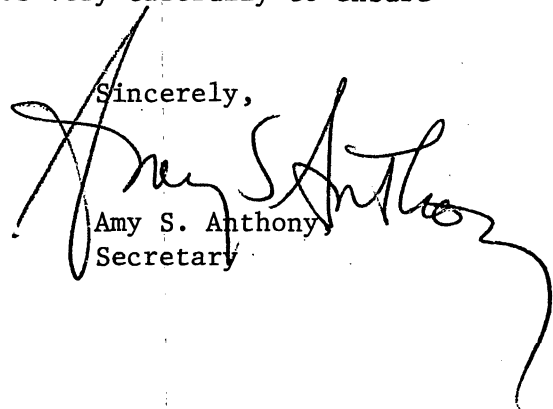

Dear Mr. Healy:

I have received a copy of the order of February 25, 1985 (Order #28) regarding 808, 810, and 812 Memorial Drive.

This matter falls within the responsibility of the Massachusetts Housing Finance Agency (MHFA). As a member of the MHFA Board, I have instructed my staff to review the situation at these buildings. The managers are currently on probation, pending completion of certain physical repairs to the structures.

In addition, the owners are responsible for additional physical improvements using revenues to be generated from a recent rent increase. Please be advised that we will monitor these improvements very carefully to ensure completion.

Sincerely,

Amy S. Anthony,
Secretary
