

Boston June 15th 1873

The undersigned, represents that the City of Cambridge has taken 1543 1/2 feet of Valuable Land to continue Ninth Street from Otis Street in East Cambridge. as we gave the land to continue Otis and Shourdsike Streets to the Railroad, as ^{all} my lots front on those streets. as the City has equal benefit, without cost to that part of said streets, over which Ninth Street crosses (some 14000 feet I respectfully ask a fair payment for the lots taken. an examination of the plan of the premises will show that any incidental benefit (if any) will bear no comparison to the value of Land Taken by your City

To the
