City Council
City Hall
Cambridge, MA

Dear Councillors;

On behalf of the Steering Committee of Cambridge Citizens for Liveable Neighborhoods and the Scheme Z task force I would like to thank you for your gracious attention at the City Council hearing on Scheme Z. We were pleased to see the city wide opposition to this project. Clearly, people from across the spectrum of our diverse neighborhoods recognize the devastating impacts of Scheme Z. The time has come that neighborhoods recognize that what hurts one hurts us all. During the weekend petition drive that resulted in 800 signatures for every ten people asked, nine signed. Please allow us to support you in preventing this council being recorded in history as the Council that allowed Frankenstein into our community.
