Dear Councilor Reeves:

The Just-A-Start Corporation will be celebrating its 30th year of operation in March, 1997. One of primary objectives is to make Cambridge residents more aware of the program to increase their utilization of our services. Since you have been an avid supporter of youth programs and housing issues, I am asking once again for your assistance.

To aid our efforts, I would like you to introduce a resolution to the City Council to proclaim March as "Just-A-Start Month" in Cambridge. As part of the celebration, I would like to have a photo exhibition in the City Hall lobby and banners in various spots around the City (regulations permitting). Of primary interest would be a banner(s) across Massachusetts Avenue.

Thousands of Cambridge residents have benefited from the employment training, educational and housing programs at Just-A-Start. The Hampshire Homes project built by our Youthbuild component was the largest project of its kind completed in the Nation last year. Executive Director and founder Gordon Gottsche has assembled a dedicated and highly competent staff which has and continues to improve the quality of life in our City.

Since I am not familiar with current City policies, I do not know the procedures involved to accomplish our goals. I am, however, available to meet with you at your convenience. Thank you for your help in the past.
