Dear Friend,

May, 1997

Somerville-Cambridge Elder Services has been providing care to our older family and friends since 1972. Every day our staff and volunteers deliver hot meals to homebound seniors, counsel families struggling with Alzheimer's disease, escort frail elders to their medical appointments and help vulnerable seniors manage their finances.

This year, we celebrate 25 years of helping thousands of our older neighbors live with dignity and independence. While we are proud of our accomplishments, we are also facing a dramatic rise in the need for essential services for older people. As this population grows older and more frail, we must ensure that *every* elder is receiving the proper care, attention and benefits s/he deserves.

This May - Older Americans Month - we invite you to join us in our efforts to improve the lives of frail, isolated elders. Throughout the month, we will be delivering flowers to our clients in honor of their contributions to our community and in celebration of SCES' silver anniversary. Your gift of \$25 or more will make this shared tribute possible.

The enclosed tag is meant as a greeting for one of our clients but it first needs your special touch. Please sign it on the space provided and we will attach it to the flowers before delivery. Your personal message - sent along with a cheerful bouquet - will brighten the spirits of our clients and bring a touch of Spring into their homes.

Please celebrate our 25th anniversary with us by sending in your gift in the envelope provided, along with a personalized greeting on the enclosed tag. We appreciate your continued commitment to helping elders in Somerville and Cambridge.

Happy Spring!

Yours truly,

John O'Neill, Executive Director
Somerville-Cambridge Elder Services
