Gentlemen:

On October 27, 1974, a Walk-A-Thon will be held beginning at Boston College and passing through parts of Cambridge, Watertown, Newton, Brighton and Boston. A Walk-A-Thon is a community activity to show concern for the problem of Birth Defects. Walkers get sponsors to pledge an amount for each mile the walker completes.

The walk will be to benefit the March of Dimes programs of Birth Defects prevention.

I would like to request the issuance of whatever permits or permission that might be necessary for the walk. If you have any questions regarding this matter, please don't hesitate to call me at 783-4180.

Sincerely,

Bruce Macdonald
Executive Director
Mass. Bay-March of Dimes

"... Our concern is with Birth Defects"
