EXECUTIVE DEPARTMENT  
ROBERT W. HEALY  
City Manager

November 21, 1983

To the Honorable, the City Council:

As of this date the Board of Assessors have completed the hearing process on impact notices and all changes greater than 10% will be submitted for approval by the Department of Revenue for final certification. This process has been deliberately lengthy as it is in the best interest of the City's future financial position to have made appropriate adjustments during the hearings rather than be confronted with abatements or Appellate Tax Board decisions two, three, or four years from now.

Thus, I am requesting the City Council to schedule a formal hearing on classification for Monday, December 5, 1983. Arrangements will be made for advertising this hearing.

An informational packet is being prepared and will be delivered to the City Council in advance of the December 5th meeting.

Very truly yours,

Robert W. Healy  
City Manager
