## OFFICE OF THE CITY ENGINEER,

May 31st, 1889.

A. F. Sortwell, Esq.

Chairman Committee Roads & Bridges,

Dear Sir:-

A portion of  
Plymouth Street between Hampshire Street and Webster Avenue was accepted in  
1883,- but no grade was established at that time.

As the Street Department are about to set edgestone upon it, I submit for report by your committee to the Board of Aldermen, the grade as now shown on the acceptance plan.

Very Truly,

*L. M. Hastings*

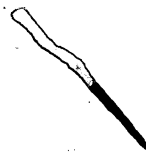

City Engineer.
