

To His Honor the Mayor and the Board
of Aldermen of the City of Cambridge,
Gentlemen.

The undersigned, residents
and owners of real estate in House No. 10
Cambridge, respectfully request, that the
street leading westerly from Cedar Street
being a continuation of Spruce Street, and
formerly known as Kinder Lane, may be
accepted by the City, and become one of
the public highways. That portion of the
street ~~to~~ which we wish to call the atten-

tion of your board, has been used and
improved as a common thoroughfare
for about thirty five years, and the damage
travel over it is steadily increasing, and
unless something is done to render it more
fit for travelling, there is great danger of

Particular

of Spruce Street.

the city may be obliged to incur great
expense in the nature of damages.

attention of your honorable board to
the prayer of our petition.

Once as in duty bound we ever pray,
