

❖CITY❖OF❖CAMBRIDGE❖

In Board of Aldermen, June 2, 1885.

~~Ordered,~~

The Standing Committee on Roads and Bridges, having made examination of trees in the public streets in various portions of the city, would herewith

Report,

Recommending the adoption of the accompanying order authorizing the removal of certain trees designated in said order, many being in a decayed and dangerous condition and others being deemed injurious to the public health.

For the Committee
Charles W. Henderson

Repat, 92

Committee on Roads & Bridges
of board of aldermen, in
relation to removal of certain
trees.
