City Council
City of Cambridge

TO THE HONORABLE, THE CAMBRIDGE CITY COUNCIL:

I just came from the announcement of plans for the corner of Arrow Street and Mass. Ave. I was there with several residents who, I understand, will also be writing you.

We were very pleased with what we saw presented. We all spoke in its favor and against any major changes. Charlie Sullivan had a nice suggestion about widening a retaining wall parallel to the Troyka to give a convenient, unobtrusive place to sit, which was a nice idea, generally accepted by all of my friends.

On my way home, I went past the area. City employees worked on it today, starting to clean it up. The remaining bushes really looked nice trimmed. I do not think they were in the plans. Nicely maintained, as they presently are, they are quite lovely, and would fit well circling the tree proposed for that corner. I hope the plan is modified enough to save them.

My compliments and my thanks to all involved, particularly to the city council. Two of your votes, 7-1-1, and then 7-2 were quite crucial in this very nice plan.

Sincerely,

Robert J. La Tremouille
