**INTEROFFICE CORRESPONDENCE**

**To** Robert Healy, City Manager

**Date** Nov. 25, 1987

**From**  George Teso, Traffic Director

**Reference**

**Subject** City Council Order #13 of May 4, 1987 "Warning Beacon at Huron Ave. and Vassal Lane"

The Traffic Department has conducted a study to determine the need and feasibility of installing a warning beacon at the intersection of Huron Avenue and Vassal Lane. It was determined that a warning beacon is low on our priority list and that warning signs on the approaches to this intersection would be our first step before a warning beacon is considered.
