

RECEIVED BY
CITY CLERK
NOV 13 AM 11:35
CAMBRIDGE MA.

Nov. 9, 1986.

Dear Sandra,
I was deeply moved
by the beautiful resolution in memory
of Roberta, I have been very busy being
a single parent so I have not responded
until today. Roberta spent much of
her time helping others, when she
needed help and love during her
on her friends were there for
us. Without them we would have
been lost, they gave her company
when I was at work, they made meals
for her. I was married for twenty
two years, I didn't realize until I
lost her how beautiful she was.
Roberta gave herself to headstart
one hundred percent at work and
at home, she was a caring person.
She liked you, I can not to politically
minded I always asked her who to vote
for; well she was not here to advise

me this time, I noted for you last
~~to~~ Tuesday, continue you to do a good
job. I would like to thank the
city council, city clerk and yourself
again for this lovely memento of
my wife.

sincerely yours
Ronald Helberg.
