

City of Cambridge.

^{Board of Surveyors of Highways}
~~In Common Council~~ April 3. 1861.

Ordered, that the Superintendent of Streets be instructed to put so much of the Great Bridge, and of the Draw thereof, as lies on the Cambridge side of the opening in said Draw in good condition, with all practicable dispatch, making the Cambridge end of the Draw $15\frac{1}{2}$ feet in width.

Attest, Justin A. Jacobs, City Clerk,
and Clerk of the Board.
