Subject Grendel's Den

Pursuant to a request from Mayor Vellucci, I have inquired about Grendel's Den and their application for a license to serve liquor. According to Mary Calnan, Director of the License Commission, an application has not been formally submitted for Grendel's Den, but one is expected by next week. If an application is submitted by then, the hearing will be held on February 8, 1983. Notice to abutters will include a notice to the City Solicitor since the City is an abutter.
