Attn: Councilmen and women

Dear Councilmen and women:

I have been notified by the Attorney General's office that some cities in the Commonwealth of Massachusetts require permits for use of the "airways" within their city. They have informed me that this would apply to my placement of pay telephone equipment in outside locations that are in pedestal enclosures on the sidewalk or hang over the sidewalk.

If this requirement is needed for operation of pay telephones, I would appreciate it if you would send us the necessary application(s) so that we may obtain a permit in your city or town. If no permit is required, please sign and date this letter and send it back in the enclosed self-addressed stamped envelope.

Should you have any questions or require any further information, please don't hesitate to call me.

Sincerely,

Alan C. Levine
President
