To the Honorable, the City Council:

I recommend that the City Council take a formal vote designating the following unpaid appointed positions to be "special municipal employee" positions within the meaning of General Laws, Chapter 268A, § 1(n).

Members of the following:

Police Review and Advisory Board

I am attaching a copy of the Commission Fact Sheet which outlines the State Ethics Commission's guidelines regarding the designation of "special municipal employees".

It is my belief that in order to encourage qualified individuals to commit their time and energies to these unpaid positions it is advisable to grant to them the extra measure of protection allowed for "special municipal employees" by the state ethics law. The positions I am recommending for this designation clearly qualify within the definition of "special municipal employee".

Very truly yours,
