Mr. Mac Duff:

I called to ask what further action it would be desirable for me to take, in regard to protesting against the edge-stones on Harris St. - I wish on behalf of my Father, who is now in Europe, to utter a formal protest if necessary to the Board of Aldermen. I enclose an addressed Postal Card upon which if you will kindly do so, - you might write the desired information, and I shall be obliged.

Respectfully
W.C. Greenough.
