To the Honorable, the City Council:

With respect to Awaiting Report Item No. 18 regarding the employee reclassification study, please be advised that the U. S. Civil Service Commission has just recently completed the study. They have presented the City with the results and also met with Union officials of Local 195 last week to present the study to the Union. The collective bargaining agreement requires that the Union and the City sit down together and negotiate the implementation of the study. We will be doing this in the near future.

Very truly yours,

James L. Sullivan
City Manager
