The Honorable Alfred Vellucci, Mayor
Members, Cambridge City Council
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Mayor and Councilors:

I write to urge the Cambridge City Council to help clarify the situation as regards the building going up at 315-317 Broadway. Area residents are particularly concerned that the proposed use - a pizza takeout and an ATM - will worsen an already bad traffic problem.

The Broadway/Prospect intersection is one of the most dangerous in the city. Three people have been killed there in just the last few years. I urge the Council to ask the Police and Traffic Departments for full accident statistics, and hope the Council will be able to resolve the matter in a way which meets the neighborhood's concerns.

Sincerely,

PETER A. VELLUCCI
STATE REPRESENTATIVE
Cambridge/Somerville

Dear Members of the Council:

We, the undersigned home owners and residents, are concerned about the development going up at the corner of Broadway and Prospect St. We have been unable to get accurate information as to precisely what is planned at the site, but have been given to understand that plans include a fast-food pizza outlet, an ATM and possibly a donut store. These are uses which generate excess traffic at an already dangerous corner, when three people have been killed in the last two years.

We ask the Council to assist us in finding out what is actually going on at the above site, and to intervene to protect our neighborhood.

Dear Members of the Council:

We, the undersigned home owners and residents, are concerned about the development going up at the corner of Broadway and Prospect St. We have been unable to get accurate information as to precisely what is planned at the site, but have been given to understand that plans include a fast-food pizza outlet, an ATM and possibly a donut store. These are uses which generate excess traffic at an already dangerous corner, when three people have been killed in the last two years.

We ask the Council to assist us in finding out what is actually going on at the above site, and to intervene to protect our neighborhood.
