

Cambridge, Massachusetts

December 5, 1932

To The Honorable The City Council Of The City Of Cambridge
Gentlemen:

I have received from the City clerk a copy of a resolution passed by your Honorable Board and approved by his Honor the Mayor, on November 22nd 1932, expressing commendation of my services in the Department of Engineering of the City of Cambridge.

For your very kind appreciation of such service as I have been able to render the City of Cambridge for this period of about sixty years, I hasten to give you my heart felt thanks. Your approbation I appreciate very highly, coming as it does from fellow citizens of this City.

I can only assure the Mayor and the City Council that my sole aim during all these many years, as they have come and gone into the past, has been to so conduct the work of the Department as to make it of the greatest service to the City of Cambridge and the the Public.

Sincerely yours,

L. W. Hastings
