CITY OF CAMBRIDGE

MASSACHUSETTS

IN CITY COUNCIL

March 12, 1929.

RESOLVED:—That public convenience and public health require that a common sewer should be laid through certain private lands and that a right of way through said lands should be taken for such purpose bounded and described as follows:

PARCEL NO. 1

Beginning at a point in the southeasterly line of Tannery Street at its intersection with the northeasterly line of the Tannery Brook Wall, thence running northeasterly along said southeasterly line of Tannery Street 5 feet more or less to a corner, thence southeasterly 78 feet more or less to a corner of a building and on the northeasterly line of Tannery Brook Wall, thence again southeasterly along the face of said building and along said northeasterly wall of Tannery Brook 115 feet more or less to a corner in the northwesterly line of Clarendon Avenue, thence southwesterly along said northwesterly line of Clarendon Avenue 21 feet more or less to a corner, thence northwesterly parallel to and 20 feet distant southwesterly from the line above described as being 115 feet long 115 feet more or less to an angle, thence again northwesterly parallel to and 20 feet distant southwesterly from the line above described as being 78 feet long 78 feet more or less to a corner in the southeasterly line of Tannery Street, thence northeasterly along the said southeasterly line of Tannery Street 16 feet more or less to the point of beginning.

Containing 3,860 square feet more or less.

PARCEL NO. 2.

Beginning at a point in the northwesterly line of Tannery Street at the intersection of the proposed southwesterly line of Muller Avenue produced, said point being about 332.66 feet northeasterly from the northeasterly line of Massachusetts Avenue, thence northwesterly along the said southwesterly line of Muller Avenue 208 feet more or less to an angle in the said southwesterly line of Muller Avenue produced, thence again northwesterly along the southwesterly line of Muller Avenue and through private lands 640 feet more or less to a corner in the southeasterly location line of the Alewife Brook Parkway, said point being about 86 feet northeasterly from the northeasterly line of Foch Street, thence northeasterly along said location line 25 feet more or less to a corner, thence southeasterly parallel to and 25 feet distant northeasterly from the line above described as being 640 feet long 623 feet more or less to an angle, thence again southeasterly parallel to and 20 feet distant northeasterly from the line above described as being 208 feet long 231 feet to a corner in the northwesterly line of Tannery Street, thence southwesterly along the said northwesterly line of Tannery Street 20 feet more or less to the point of beginning.

Containing 20,177 square feet more or less.

The above described parcels of land are shown upon a plan entitled: "Sewer Plot of the Tannery Brook District" dated June 27, 1895 drawn by L. M. Hastings, City Engineer and on file in the office of the City Engineer of Cambridge, Mass. and numbered 209.

ORDERED:—That due notice be given the owners of land abutting on said private lands, between the points before mentioned, and all other persons interested, in the manner prescribed by law, that this Board intends to take certain parcels of land bounded and described above for the purpose of laying, making and maintaining a common sewer therein, and that Tuesday, March 26th, 1929 at eight o'clock P. M. and the Council Chamber, City Hall are assigned as the time and place for hearing any objections which may be made thereto.

In City Council, March 12, 1929.
Adopted by the affirmative vote of 10 members.
FREDERICK H. BURKE, City Clerk.
Executive Department, March 15, 1929.
Approved, EDWARD W. QUINN, Mayor.
A true copy,
Attest:—
FREDERICK H. BURKE, City Clerk.

Cambridge, Mass., March 16th, 1929.

I, Lester L. Morrison, Constable of the City of Cambridge, DO HEREBY CERTIFY, that I have this day posted copies of the within notice relative to the taking of land for a right of way for sewer purposes along Tannery Brook at the following locations in the City of Cambridge, to wit:-

City Hall
City Building, Central Square.
Also at various locations in the vicinity of Tannery Brook.

REPORT

Committee on City Engineering

recommending order for hearing on taking rights for sewer

A

March 12, 1929

City of Cambridge

In City Council

March 12, 1929.

RESOLVED:

That public convenience and public health require that a common sewer should be laid through certain private lands and that a right of way through said lands should be taken for such purpose bounded and described as follows:

PARCEL No. 1.

Beginning at a point in the southeasterly line of Tannery Street at its intersection with the northeasterly line of the Tannery Brook Wall, thence running northeasterly along said southeasterly line of Tannery St. 5 feet more or less to a corner, thence southeasterly 78 feet more or less to a corner of a building and on the northeasterly line of Tannery Brook Wall, thence again southeasterly along the face of said building and along said northeasterly wall of Tannery Brook 115 feet more or less to a corner in the northwesterly line of Clarendon Avenue, thence southwesterly along said northwesterly line of Clarendon Avenue 21 feet more or less to a corner, thence northwesterly parallel to and 20 feet distant southwesterly from the line above described as being 115 feet long 115 feet more or less to an angle, thence again northwesterly parallel to and 20 feet distant southwesterly from the line above described as being 78 feet long 78 feet more or less to a corner in the southeasterly line of Tannery Street, thence northeasterly along the said southeasterly line of Tannery Street 16 feet more or less to the point of beginning.
