RE: PROPOSAL TO IMPLEMENT A CAMPAIGN TO PROMOTE  
THE INTERNATIONAL RESTAURANTS OF THE  
CITY OF CAMBRIDGE

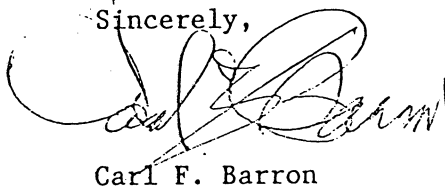

Dear Councillors:

One of the greatest assets that Central Square possesses is the number of varied and excellent restaurants within our geographic area. They have provided us with a very substantial amount of favorable publicity based upon the variety and quality of the food served.

Our Association strongly urges you to provide any assistance possible to promote all of the restaurants within the City of Cambridge since, if the rest of the city is favored with as much success as the restaurants in Central Square, it should be a tremendous boon to the entire city, especially these days when tourism has fallen. Every form of assistance would be greatly appreciated by all.

I trust that you will look favorably upon this proposal.

Sincerely,

Carl F. Barron
