To the Honorable, the City Council:

In response to questions which arose in reference to Communication No. 3 of June 2, 1986, I have contacted Joseph Cellucci, Commissioner of Inspectional Services regarding his denial of a request for a driveway at 35 Bigelow Street. Mr. Cellucci reports that state law allows for only one curb cut for every 100 feet of street frontage. The Visiting Nurses Association at 35 Bigelow Street already has the one curb cut allowed by law.

Very truly yours,
