WHEREAS:

Over the past several years the security of public housing tenants in their homes and on their persons has become a growing problem in many public housing developments in Cambridge, and

WHEREAS:

The Cambridge City Council recognizes that improving the security of citizens in public housing developments is of the highest priority, and

WHEREAS:

The recent proposals submitted by the Eastern Middlesex Criminal Justice Development Agency in behalf of the City of Cambridge to the M.C.C.J. for funding have not reflected this fact; nor have they reflected the most important priorities of Cambridge; nor have they received positive funding consideration by the M.C.C.J., now therefore be it

ORDERED:

That the Cambridge City Council directs the E.M.C.J.D.A. to modify the proposal it has submitted to M.C.C.J. for \$100,000, in funds to support a Community Oriented Police Program into a program that will respond specifically to the security needs of public housing tenants similar to those programs M.C.C.J. has funded for this purpose in other communities, and be it further
