In Board of Aldermen, Nov 17. 1886

~~Order~~

The Standing Committee on Roads and
Bridges, asks leave to
Report

That a communication has been received by said Committee, from Rev. William Lawrence, in reference to the matter of laying plank sidewalks upon Brattle Street from Brattle Square, northwesterly. In said communication it is proposed that the subscribers for said walk shall guarantee the expense of "the same", up to the sum of 100.- a year, for five years, or that possibly a larger sum might be paid. Your Committee recommends the adoption of a accompanying order authorizing it to make such agreement with the subscribers aforesaid as is suggested in said communication

For the Committee.
