IN CITY COUNCIL

July 30, 1990

COUNCILLOR WALSH

WHEREAS: Consistent compliance with existing laws is the glue which holds society together; and

WHEREAS: Cafeteria-style compliance with existing laws, where agreement with some is expressed by compliance and disagreement with others is expressed by acts of contempt and where what is liked is chosen and what is not is junked, is unacceptable; and

WHEREAS: Consequently the July 2, 1990 illegal invasion of four vacant apartments at 292-298 Broadway by a group called 'Eviction Free Zone' does not acquire a seal of legality based on the premise that it was undertaken as a response to an existing illegal situation; and

WHEREAS: To say, as has been said that, "You have here an illegal action, but it is in response to another illegal action" is to intimate that two wrongs make a right and that cafeteria-style compliance with the law is fine when, in fact, it is not; now therefore be it

RESOLVED: That this City Council goes on record as supporting complete compliance with all existing city laws on the part of all residents, be they property owners or tenants. Further, that this City Council recognizes and accepts its obligation to review and, where necessary, refine existing city statutes so that justice, fairness and equity across the board will be present in the statutes and thereby preclude a repetition of the circumstances which have produced this recent applause for the illegal on the part of some residents and leaders in the City of Cambridge.
