To the Honorable, the City Council:

I transmit herewith the Classification and Compensation Plan, the same to be effective on January 1, 1972, together with an appropriate order relating to this same matter.

I wish to advise your Honorable Body that I plan to submit a supplementary Classification and Compensation Plan that will embody the Planning and Development Department together with some miscellaneous classifications at an early date.

I would urge favorable action on the enclosed Classification and Compensation Plan, and remind your Honorable Body that the Internal Revenue Service under date of April 6, 1972, authorized the so-called 8% pay raise for City employees not covered by collective bargaining agreements or City ordinance.

Very truly yours,

John H. Corcoran
