OFFICE OF CITY CLERK

DEPARTMENT OF PUBLIC UTILITIES APR 7 2 39 PM '80

March 31, 1980

CAMBRIDGE, MASS.

CORRECTED NOTICE

D.P.U. 19806- A
D.P.U. 20147

The Massachusetts Department of Public Utilities on its own motion hereby proposes certain additions to the Uniform System of Accounts and also proposes the repeal of D.P.U. 19806 and the adoption of a proposed Cost of Gas adjustment Clause (Draft of October 1, 1979). The proposed regulation is promulgated pursuant to the provision of General Laws, Chapter 30A, section 2; Chapter 164, sections 76c, 81 and 94F.

Corrected Notice of Public Hearing

Staff members of the Department are requesting the Commission to include a seasonal charge in the proposed Cost of Gas Adjustment Clause.

Since this feature was not included in the Draft of October 1, 1979 and it was not contemplated, the participants in the hearing did not have the opportunity to specifically address this issue.

It is expected that one of the proponents of the inclusion of seasonal charges will make a presentation on the reasons why the clause should include this feature.

In order to premit all parties to express their views on this proposal, the scheduled public hearing for Monday, April 21, 1980 has been changed to Tuesday, April 22, 1980 at 10:00 o'clock in the forenoon in the Department's hearing room, #1210, Leverett Saltonstall Building, 100 Cambridge Street, Boston, Massachusetts.

By Order of the Department,

CHRISTOPHER C. RICH
Secretary

Corrected notice from the DPU for a public hearing on Tuesday, April 22, 1980 at 10 a. m. at 100 Cambridge St., Boston on certain additions to the Uniform System of Accounts and the adoption of a proposed Cost of Gas adjustment clause.
