To the Honorable, the City Council:

With respect to Awaiting Report Item No. 32 regarding a schedule for disposal of household hazardous waste, please be advised that for the past two years the City has conducted such a program.

Under the direction of the Commissioner of Health and Hospitals, with the cooperation of the Cambridge Garden Club, the City has a day during the month of May that Clean Harbors, Inc., an approved hazardous waste disposal contractor, is engaged to accept and properly dispose of household hazardous waste that is brought to a designated site.

This program has been successful and will continue in future years.

Very truly yours,

Robert W. Healy
City Manager
