OFFICE OF CITY CLERK

CAMBRIDGE MA.

February 18, 1998

Dear Members of the City Council:

My name is George Copitas, I live at the Manning Apartments on Franklin Street. I am a self appointed political advocate on behalf of those I feel have got a raw deal from the City or the State. I am sure you have heard me speak up for these disenfranchised people in the past.

The reason for this letter is because as a combat veteran and recipient of the Purple Heart, I took advantage of the GI Bill in 1946 and decided to go into politics or law but after two years of pre-law, I discovered that to go into politics and law I would have to kill my conscience. I believe I made the right decision. I am committed to making sure that the incumbents are out at the next election.

Any questions, any admonitions ?

Sincerely,

G. Copitas

George Copitas
